Continuing Medical Education – Grand Rounds**

“Updates in the Management of Uterine Fibroids”

Pamela Estrada, MD

Chief Resident

Hawaii Residency Program

JABSOM - University of Hawaii

Dept. of OB/GYN and Women's Health

Wednesday, October 21, 7:30 am

ZOOM ONLY

<https://zoom.us/j/923066766>

Password: 000824

Objectives- at the conclusion of this session, the participant is expected to be able to:

- Review uterine fibroids, risk factors, imaging
- Review management of uterine fibroids, specifically heavy menstrual bleeding
- Discuss updated evidence of current management options for uterine fibroids
- Discuss evidence for novel management options: MRI-guided ultrasound surgery for uterine fibroids; Selective progesterone receptor modulators (eg. Ulipristal acetate [Ella]); GnRH antagonists (eg. Elagolix +/- add-back therapy)
