Continuing Medical Education**

“Challenges in Endometrial Cancer Diagnosis”

Jeffrey Killeen, MD

Director of Laboratories

Kapi'olani Medical Center for Women and Children

Wednesday, January 13, 7:30 am

ZOOM ONLY

<https://zoom.us/j/923066766>

Password: 000824

Objectives: At the conclusion of this session, the participant is expected to be able to:

- Understand the current histologic classification of endometrial cancer
- Describe the evolution of molecular classification in endometrial cancer
- Distinguish different endometrial cancer types using specific biomarkers
- Understand how more precise diagnosis can lead to better therapies
