

**Department of Obstetrics, Gynecology & Women's Health
Continuing Medical Education – Grand Rounds**

“Disparities in maternal mortality: causes and cures”

Philip Darney, MD, MSc

Distinguished Research Professor, Emeritus
Obstetrics, Gynecology, Reproductive Sciences and
Health Policy
University of California, San Francisco

Wednesday, May 5, 7:30 am

ZOOM ONLY

<https://zoom.us/j/923066766>

Password: 000824

Objectives- at the conclusion of this session, the participant is expected to be able to:

- Describe variations in maternal mortality by race and region
- Understand relationships between reproductive health care access and maternal mortality
- Speculate about solutions to the US maternal mortality crisis
